

W.W. (9/9/2014)

- This is how to create a basic book entry for an MLA works cited page:
- **Basic Format**
 - Lastname, First name. *Title of Book*. City of Publication: Publisher, Year of Publication. Medium of Publication.
- Create a works cited entry for *The Hound of the Baskervilles*:

- **Publisher Names**

- Shorten publisher's names as much as possible in book citations. You only need to provide your readers with enough information for them to identify the publisher. Many publishers can be identified by only acronyms or a shortened version of their names.
- MLA suggests a few rules for you to follow when abbreviating publishers:
 - Omit articles, business abbreviations (like Corp. or Inc.), and descriptive words (e.g. Press, Publishers, House)
 - Cite only the last name of a publisher with the name of one person (e.g. Norton for W. W. Norton) and only the last name of the first listed for a publisher with multiple names (e.g. McGraw for McGraw-Hill)
 - Use standard abbreviations when possible (e.g. Assn. or Soc.)
 - Use the acronym of the publisher if the company is commonly known by that abbreviation (e.g. MLA, ERIC, GPO)

- Bantam Doubleday Dell Books for Young Readers
a division of Bantam Doubleday Dell Publishing
Group, Inc.

Bantam

Check your W.W. -- Date

- **Republished Book**

- Books may be republished due to popularity without becoming a new edition. New editions are typically revisions of the original work. For books that originally appeared at an earlier date and that have been republished at a later one, insert the original publication date before the publication information. For books that are new editions (i.e. different from the first or other editions of the book), see An Edition of a Book below.
- Butler, Judith. *Gender Trouble*. 1990. New York: Routledge, 1999. Print.

Check your W.W. – Date

- *Hound of Baskervilles* year of publication: 1902
- *Hound of Baskervilles* year of reprint (our book): 1959

Check your W.W. – Medium of Publication

- **Additional basic rules new to MLA 2009**
- **New to MLA 2009:**
- For every entry, you must determine the Medium of Publication. Most entries will likely be listed as Print or Web sources, but other possibilities may include Film, CD-ROM, or DVD.
