# Speech Critique

- Write a two paragraph self critique of your own demonstration speech.
- Write the first paragraph about the *content* of your speech.
- Write the second paragraph about the *delivery* of your speech.
- Be sure to include descriptions of positive and negative aspects AND an explanation of why you excelled or needed improvement in specific areas. Be sure to consult the rubric for different aspects of content and delivery.

- After your self-evaluation, answer this question: In future speeches, what will you do differently to prepare for it and how might that affect the outcome of your speech? Or what will you do the same and why
- EXTRA: Completion of this activity is worth 10 points, but extremely well written and insightful paragraphs will earn bonus points to be added to the actual speech grade.
