“When I Heard the Learn’d Astronomer”

When I heard the learn’d astronomer—

When the proofs, the figures, were ranged in columns before me,

When I was shown the charts and diagrams, to add, divide,
measure them,

When I sitting heard the astronomer where he lectured with much
applause in the lecture-room,

How soon unaccountable I became tired and sick,

Till rising and gliding out I wander’d off by myself,

In the mystical moist night air, and from time to time,

Look’d up in perfect silence at the stars...
