

PAMPHLET COVER ASSIGNMENT!

- 1) **Generate a new title for the book Night.**
[you will write "by _____"-- insert your name for authorship]

Think about the pervading emotions and imagery of the book, the major events, and the important philosophical moments.

Stipulations:

- a) You cannot use the word "night" in your title!
- b) You cannot use a foreign word that means "night"!

- 2) **Create a book cover for your pamphlet**

Books covers are visual! Think about what visual elements you would like to use! You need at least two visual elements on the cover!

Whatever you choose should correspond to your new title in some way and should accurately reflect the dominant ideas of the book.

*Use as much of the space as possible.
It must be in color! [only colored pencils or crayons]*

- 3) **On the back cover, explain why your new title is an appropriate one.**

Be sure to reference three specific parts of the book in support of your explanation.

- 4) **Skip a few spaces and then explain why you chose the visuals for the book cover that you did (in connection to the book).**

Be sure to reference at least one specific part of the book in support of each of your visuals!
